

November 21, 2003

We are pleased to have this opportunity to highly recommend Vinh Tran to anyone buying or selling a home, specifically in the Cupertino/Monte Vista Area.

Our home, located at 10387 Mira Vista Road in Cupertino, was listed with Vinh in November 2003. Subsequently, it was necessary for us both to travel out of town. Because of Vinh's diligent efforts, and professionalism, he successfully conducted an open house, and attained the selling offer prior to our return. His profound knowledge of the market, invaluable suggestions, and professionalism, make Vinh a true credit to his profession.

Vinh's excellent service made the selling of our home effortless, and a very positive experience.

Sincerely,

Michael and Lynne Jackson
